ABOUT ME

I am a Senior Network and Security Engineer with over 17 years of experience designing, implementing, and supporting enterprise network and data center infrastructures. In recent years, I have focused my professional development on cloud technologies, particularly Microsoft Azure, cloud networking, security, and infrastructure automation.

I hold industry-recognized certifications, including Cisco CCNP, Fortinet NSE/FortiGate, Microsoft Azure, and Linux Professional Institute Certification (LPIC).

EDUCATION, COURSES, CERTIFICATES

Azure Administrator Associate - Certificate	2026
Azure Network Engineer Associate - Certificate	2026
Google Cybersecurity, Online - Certificate	2025
Fortinet, FortiGate Security - Course	2023
Fortinet, FortiGate Infrastructure - Course	2023
Cisco Live, Barcelona - Conference Jira days 2019, Warsaw	2019
VMware NSX-T Data Center, London - Course	2019
Ignite'18, Palo alto, Amsterdam - Conference	2019
Python for network engineers, Riga - Course	2017
Cisco CCIE, Vilnius, Fast Line - Course	2017
Cisco Live, Berlin - Conference	2017
Cisco CCNP, Riga, BDA - Certificate (renew)	2016
Cisco CCNP, Data Center, Prague, ALEF - Course	2016
ITIL Foundation Certificate, Riga - Certificate	2016
REPE Database Expert Course, RIPENCCACADEMY - Certificate	2015
Windows Server 2012 R2, Riga, BDA - Certificate	2014
Linux Server Professional Certification-1, Riga, BDA - Certificate	2014
Cisco CCNP, Riga, BDA - Certificate	2013
Ipv6: Future Applications, Riga, Accenture - Course	2012
Orckit-Corrigent Network, Stockholm, Tele2 - Certificate	2011
Cisco CCNA Security, Riga, TSI - Course	2011
Ericsson Ethernet technology, Riga, Ericsson - Certificate	2011
LTE technology, Tallinn, NSN - Certificate	2011
Orckit-Corrigent Network, Riga, Tele2 - Certificate	2010
Cisco CCNA, Riga, TSI - Certificate	2010
